

Friends of Dorsi Raynolds Swimming & Diving Campaign

In an effort to recognize the extraordinary efforts of a truly iconic coach, Swimming & Diving alumni from all generations, along with the UB Division of Athletics, have come together to unveil a campaign to permanently display former head coach Dorsi Raynolds' name where it truly belongs – in the UB Natatorium.

Coach Raynolds' legacy will live on for generations to come with the naming of the "Dorsi Raynolds Competition Pool" and remain a fixture to the program that she helped develop during her tenure from 1992-2005.

NEW VIDEO BOARD

All funds raised will be allocated directly to the UB Women's Swimming & Diving Program to purchase a new state-of-the-art video scoreboard in the Alumni Arena Natatorium. This much-needed amenity will impact the program in recruiting, managing and scoring meets more efficiently, while improving the overall spectator experience.

"This new video board will modernize our facility, enhancing our collegiate competitions and the many events we host for the community at large." – HEAD COACH ANDY BASHOR
